**THANKS TO MARY AND ROB** and the many other volunteers.... Coupon books sales generated \$2,200 for the club. There are still books available. Next year, the target is 300+ books. That works out to 3 books per member and generates more project funds for the club!

### BECOME A REFEREE – Training available through PBC

*From Alan Thomson, Head Referee at PBC*

Several BC clubs are interested in referee training and Alan would like to determine how many other PBC members would like to participate in ZOOM Referee training sessions.

The link below will take the interested individuals to the Sign-up Genius page which gives the details of what will be involved, who the training is intended for.

<https://www.signupgenius.com/go/5080549AFA82FA0FD0-call2>

This is not the actual sign-up for training, but rather a call out to determine how many & who might be interested. When the people sign up Alan will have their names and email addresses to reply to and attach a real Sign-up Genius invite with the actual dates for the training.
