

THANK YOU CPC MEMBERS

2021

Despite Covid 19 restrictions, the extreme summer heat and smoke, we made some great strides within the club . . . thanks to many club members.

Thanks to **Diana Brooks** for her successful grant application with NHSP to purchase the 2 tables/umbrellas that we enjoyed so much this hot summer!

... and thanks to **Mary Elliott** and **Rob Orr** for continuing to fundraise this fall with the sale of Coupon Books. *With your support, we hope to purchase 2 more tables/umbrellas with funds raised.*

We were able to give some lessons to individuals enquiring through the club email address. Thanks to Dick, Jeannie, Mary and Heather.

A big **THANK-YOU** to **Bruce Fountain** for taking great care of the courts. Washing the courts is a huge undertaking that is greatly appreciated, not to mention all the 'spot' cleaning of bird droppings ... and he can be seen pulling weeds outside the courts too! *(maybe something we can all lend a hand with in the gravelled area)*

Ladder Play was introduced to the club this summer. **Dan McKinney** took on this huge chore. Players must have enjoyed it because the heat did not deter them...unless they were just showing up for the freezie pops! Thanks for taking this on Dan!!

A huge thank-you

..to **Diana Brooks** for taking on the PCNS Challenge. She spent countless hours learning how the national system worked and getting CPC operational within it.

If you can't stand the heat get out of the kitchen!!

Many endured the heat to receive a private or group lesson from Coach Shawn of Calgary. Thanks to **Canda Kennelly** for arranging for Shawn to come.

Thanks to **Scott Donaldson** for compiling a survey that could help with planning scheduling/events for next year *(results pending... Scott has a lot of papers to mark!)*

Guess who's the new caretaker of our website....**Diana Brooks**! Many thanks to **Mary Elliott**, with the help of her daughter, **Janessa**, for setting up our website and managing it for the past 2 years. Diana will spend the winter learning how to be our website guru ... THANKS Diana!

Thanks to all members who helped out around the court...welcoming newcomers, handling Waivers and Drop-In Fees, tidying up. Also, many people are enjoying the creek area that so many volunteers helped clean up. And thanks to **Dick Robinson**, who can be seen periodically with his weedeater or loppers in hand, trying to maintain the lovely setting.

Thanks to Donnie Morrison for putting on the Movement and Positioning Workshop this summer. All that attended left with valuable strategies on how to improve their game.

Also, a big thanks to Donnie for all the work on scheduling this season...trying to accommodate types of play to meet the social, recreational and competitive aspects of the game for all.

And thanks for organizing the in-house tournament with Canda & Shawn to prepare our members heading to the Nationals, and running the Wind-Up Tournament with Jeannie.

...and how about those Pickleball Canada National Championships 2021 in Red Deere, Alberta!!
